

# MEGA PRECISION · LLC

## CAPABILITY STATEMENT

Updated: August 2023

### KEY COMPETENCIES

#### MACHINING

We specialize in milling and turning of High-quality tight tolerances commercial and aerospace parts.

- 5 Axis Milling
  - up to 30" x 20" x 20"
- 3 Axis Milling
  - up to 50" x 20" x 25"
- 2 Axis turning
  - up to 11" diameter

#### MATERIALS

- Aluminum
- Stainless steel
- Titanium
- Inconel
- Steel
- And other materials
- Nylon
- Delrin
- And other plastics

#### METROLOGY

- Hexagon Automatic CMM.
- Wenzel CMM - X-Cite.
- Brown and Sharpe Micro - Hite 350.
- MicroVu Spectra optical comparator.
- QC Plans and Documentation.

#### CERTIFICATIONS

- AS9100 REV D since 2016.
- ISO 900:2015 since 2016.
- JCP Certified.
- ITAR.

#### ENGINEERING

- Solidworks.
- MasterCAM.
- PC-DMIS C++
- In-house Engineering Department.

### COMPANY OVERVIEW

Founded in 2014, by Ray Lampron and Robert Burzacki. Mega Precision LLC is an AS9100 D and ISO 9001:2015 certified modern machining facility that specializes in CNC milling and turning of high precision components for the aerospace and other select industries.

### WHY MEGA PRECISION

#### STABILITY

Mega Precision has been in business since 2014. The owners have more than 50 years of manufacturing and quality assurance experience.

#### PRECISION

The name is in our brand; precision machining is our primary focus.

#### CONSISTENCY

We know that on-time delivery is critical. Our customers rely on Mega Precision to deliver products to their production line on time, every time.

#### QUALITY

We are committed to providing our customers with the highest quality product.

### COMPANY INFORMATION

**CAGE:** 92EF9

**Unique Entity ID:** XNDAKQMGJF67

**EIN:** 471399014

**Established:** 2014

**Socio-economic Status:** Small Business

**NAICS Primary:** 336412, 336413

**NAICS Secondary:** 332721, 333618, 336411, 333318, 336414, 332721

**AS9100 Certification:** 21439

**JCP Certification:** 0087154

**Cyber Security:** NIST 800-171

**ITAR Registration:** Active

**SAM Registration:** Active
